

## Boardwalk construction

### PROJECT SIX | Boardwalk Construction

The project aims to improve the existing footpath network by installing a 20 metre boardwalk in an area of marshy ground that is inaccessible during the winter. This will complete the installation of a new long distance footpath network that crosses Hedleyhope fell Nature Reserve and links the villages of Tow Law and Cornsay.

<b>Location:</b>	Hedleyhope Fell
<b>Period:</b>	August & September
<b>No. days available</b>	2

Inventory:

Provision of posts, bearers, stringers and decking at £35/ metre
